

# WELCOME TO ARLINGTON EAGLE VOLLEYBALL

On behalf of the coaching staff, I would like to welcome you the Arlington Eagle Volleyball Camps!

We are very excited to have the opportunity to work with your daughter to instill a love and passion for volleyball. Our goal is to help your daughter improve in her individual skills while working on team concepts on team bonding activities.

We are very fortunate that we have a very strong youth program. Because of that, half of the money from the elementary camps is donated back to Arlington Youth Sports to help with equipment and tournament fees.

We are in the process of saving up for another new net system, and so that is where the rest of the camp money will go. We also use the money to purchase training equipment that our volleyball budget does not cover.

Thanks again for allowing us the chance to work with your daughter.

YIVB (Yours In VolleyBall),  
Coach Denker
