Key achievements

1. Increased Focus and Supports on mental health awareness and initiatives
2. Programs outside of the school day for elementary, middle school and high school students to encourage and promote physical fitness and participation

3. Many activities and full compliance with Recess/PE requirements at the K-6 level, and full compliance with PE requirements at the 7-12 Level
4. Focus on compliant foods for purchase in the hot lunch program, promoting new ways to present foods that are common and healthy to make them more interesting for students to consume, and an every day option of a well-stocked salad bar with a wide variety of fresh fruits and vegetables.

Next Steps

Continued conversations will happen to attempt to find a location/opportunity for MS and HS students to access physical activities during their lunch periods
